Thirty-seven Police Officers and canines from across California competed in the twentieth annual Police canine trials, which were hosted by the Redondo Beach Police Department on Friday, May 11<sup>th</sup> and Saturday, May 12<sup>th</sup>. Hundreds of spectators filled the bleachers at the Redondo Union High School football stadium to view the competition. The competing canine teams were rated in several categories including: Obedience, Agility, Searching, Protection and Narcotics Detection. The tremendously talented Police canines put on a spectacular show as they demonstrated their abilities throughout the competition. Spectators enjoyed the various competitions throughout the day. A crowd pleasing highlight was a demonstration with a Long beach Police Helicopter that landed on the field. A canine team leapt from the helicopter and ran across the field to subdue a role-player. The twentieth annual Redondo Beach Police canine trials were a great success and we are pleased to announce the winners of this year's competition.
