Licensed Deputy Inspectors Standard

Who is an acceptable licensed deputy inspector:

Any licensed deputy inspector who has certification from L.A. City or I.C.B.O.

All other conditions regarding the use of deputy inspectors in this City remain unchanged as follows:

Deputy inspections done without knowledge or approval of the Building Inspector will not be acceptable in this City. Deputy Inspectors must check in with the Building and Safety Division before arriving on the job, giving name, date of certification, lab (if any), and home phone. Deputy Inspectors must also pay a registration fee of \$55.00. The registration with the City is good for two years of the certification from one of the above agency.
