### *STOLEN TAILGATES—primarily Ford Trucks*

Recently, there have been tailgates stolen from pick-up trucks parked on the street, primarily in North Redondo Beach.

- Ford F-150, F-250, & F-350s targeted; one Chevrolet 1500
- Years: 2000-2006
- Various Colors
- Early morning hours (midnight-5:30 a.m.)
- Primarily in North Redondo Beach

#### OTHER INFO:

- Easy to remove—open the tailgate, release cables on each side, lift off
- Can be done by one person, however, most likely 2+ people involved
- Ford tailgates mostly interchangeable between model years
- No identifiable numbers on tailgates to locate legal owner—you can check out engravers at the Redondo Beach Library and inscribe your license plate number on the tailgate

**If you see anything suspicious call the  
Redondo Beach Police Department**
