PRESS RELEASE

**Subject: Be a LEADER in the Neighborhood Watch Program**

**Contact: RBPD Crime Prevention Unit**

The Redondo Beach Police Department is seeking to add citizen leadership to all areas in our city that have not yet implemented a Neighborhood Watch Program. This program is the cornerstone of all crime prevention programs. It enlists the active participation of its members in eliminating many neighborhood crimes – before they begin! **When neighbors work together with law enforcement, it creates the best crime fighting team around.**

Partner with us and serve as a **Block Captain**. The Officers of the Community Services Unit will provide added support in the organizing of the group as well as attend your gatherings for open discussions. Biannual or quarterly crime prevention meetings with law enforcement personnel are encouraged to maintain program effectiveness.

To start a Neighborhood Watch Program on your block or street, please call the Redondo Beach Police at (310) 318-0612.

This press release was prepared by Sergeant John McIntosh.
