Subject : Redondo Beach Fireworks Extravaganza

Contact : Sergeant Paul Burch

The City of Redondo Beach will once again host its annual fireworks extravaganza at the Redondo Beach Pier on July 4, 2010. The fireworks show itself will begin at 9:00 p.m. from a barge at the west end of the pier and will be visible from the beach and harbor areas.

The City will also be hosting a 4th of July celebration at the Seaside Lagoon where there will be food, live bands, dancing and activities for the kids. For more information on this event please visit www.redondofireworks.com

The public is asked to arrive early as available parking in the area will be severely impacted as the day wears on. Suggested routes to the Pier/Harbor area is either northbound or southbound Pacific Coast Highway (depending on where you are coming from) to Torrance Blvd., then westbound Torrance Blvd. to the Pier area. Parking can be found at the Pier and Veteran's Park, as well as locations north and south of the Pier.

When leaving the festivities some of the suggested routes to easy freeway access are eastbound Torrance Blvd. to the Harbor (110) freeway, southbound P.C.H. to the Harbor freeway, and eastbound 190th Street to the San Diego (405) and Harbor freeways.

Event and traffic information can also be found at 1630 AM on your radio.

Enjoy a safe independence day!
