Beginning in January 2015, the Rape category statistics are calculated using the new FBI/UCR and CA Department of Justice definitions. As of March 2015 this has resulted in one newly classified case. The 2014 statistics have not been adjusted.

As in all statistical comparisons, caution should be exercised in interpreting percent changes. When smaller numbers are compared the result is a greater percentage change; in other words, a more dramatic result is achieved.

<sup>1</sup> Larceny from vehicle includes vehicle burglary and theft from vehicle
