Savoir Faire Language Institute

Want your children to start learning a new language this summer? Savoir Faire Language Institute's immersion programs are the way to go! Being literally 2 steps from the beach and one of Redondo Beach's most beautiful parks allows us to bring the camps outside for a real summer fun-filled language-learning. In our new facility we've created the perfect kids friendly environment for hands-on cooking, creating art, learning language and exploring culture. SFLI is the portals to language fluency for your child. At the end of camp, family and friends will join us for a mini-show to see what campers have accomplished during the week. No previous language experience is required! Location: 117 W Torrance Blvd, Redondo Beach.

To Register or for More Info:

- PHONE: 310-318-0610, x3460
- ON-LINE: www.redondo.org/classes
- PARENT PACKET: www.redondo.org/camps

Each camp includes:

- Cultural facts about the country
- Daily outdoor activities and field trips
- Theme-based science & craft projects
- Cultural snacks
- Cooking activity
- Materials fee: \$40/camp
- Extended before & after care ~ \$15/hr.

Each camp includes several Cook 'n Learn activities. Kids love to cook. What better way to expose your child to another language than in the medium they so naturally respond to! Fun and traditional recipes made with love using the foreign language. The **hands-on**, visual nature makes it perfectly suited to the best language methodology, the immersion approach. Your kids will **learn little songs and rhymes** as they grind spices with a mortar and pestle, **count out raisins** for "Arroz con Leche", **repeat commands** as they stack up little "tapas" platters, smell fresh basil and grate parmesan over orzo pasta and **dance "en rond"** in charming aprons.
