**Need an all day program? For an additional \$190/wk, campers can stay and surf at Perfect Day Surf Camp (PDSC). Campers will be checked in at 12:30 pm next to the Knob Hill Courts and remain under the supervision of PDSC staff until the close of the program at 3:00pm.

Daily activities include warm-up, lots of skills and drills, volleyball related games, 'ocean-dip' breaks, conditioning and end with volleyball games. We will have a separate group for players who are interested in playing for their school or club teams and those who want to work on perfecting their skills for summer beach competition. The ratio is 1 coach to 6 players and players are grouped according to skill, then age. Of course we will take into consideration grouping friends together. We are all about having fun while learning!
