## SOCCER CAMPS SUMMER 2016

**Brit-West Soccer Camps** have been designed to develop each child's ball skills and techniques. Each day includes individual foot skills, agility, technical drills, and small sided games.

Our mini 'world cup' introduces campers to soccer cultures around the world. To ensure each camper receives the appropriate level of coaching, players are grouped according to age and experience. Our curriculum is designed to help each child reach their true potential.
