

**City of Redondo Beach**  
**Notice to Contractors Inviting Bids**

---

April, 2016

**NOTICE IS HEREBY GIVEN** that sealed proposals for performing the following described work will be received at the office of the City Clerk of the City of Redondo Beach, 415 Diamond Street, Door C, Redondo Beach, California, until **9:00 A.M. on May 5, 2016**. Thereafter said bids will be publicly opened and read in the City Clerk's office of said City.

**Beryl Street - Flagler to 190th Drainage and Street Improvements Project**  
**&**  
**Beryl/190th Street Traffic Signal Project**  
**Job Nos. 40860 & 40850**

The project work shall include the following tasks:

The project work shall include the roadway widening, extension of the stormdrain system and installation of a new traffic signal at the Beryl Street and 190th Street intersection. The work includes sawcutting and removal of asphalt pavement, curb, gutter and sidewalk; construction of concrete sidewalks, curb and gutter; construction of asphalt pavement; construction of a retaining wall; extension of stormdrain pipe and connections; construction of catch basins; construction of curb/ADA ramps; installation of a traffic signal and control boxes; installation of pedestrian related amenities including pedestrian push buttons and count-down pedestrian heads; replacement of parking, bicycle, and traffic stripping and pavement markings; installation of catch basins screens; Traffic control plans; and other work per Plans and Specifications.

The Project site is located adjacent to Dominguez Park, the City Park yard and Towers Elementary School. Contractor shall complete all improvements up to and including the 4" AC base coarse with temporary traffic marking and striping (as needed) from 190<sup>th</sup> Street to approximately station 19+00 on Beryl Street during the school summer schedule (June 27 through Sep 6th). If any work should continue during the school year affecting school access or traffic circulation, the contractor will be required to facilitate access for the school drop off and pick-up schedule and provide additional traffic control plan with no additional charge.

The estimated cost of the above described work is \$2,300,000. Bidders shall have an active **Class "A"** license from the Contractor's State License Board at the time of submitting bid.

In accordance with Labor Code Section 1770 et seq., this Project is a "public work," and thus, the Contractor and any Subcontractors must pay wages in accordance with the determination of the Director of the Department of Industrial Relations ("DIR") regarding the *prevailing rate of per diem wages*. Copies of those rates are on file with the Director of Public

Works, and are available to any interested party upon request. Contractor shall post a copy of the DIR's determination of the prevailing rate of per diem wages at each job site.

No contractor or subcontractor may be listed on a bid proposal for a public works project (submitted on or after March 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].

No contractor or subcontractor may be awarded a contract for public work on a public works project (awarded on or after April 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5.

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

Five percent of the payments due to the successful Contractor shall be withheld by City as retention for performance security, but the Contractor may substitute securities for said retention pursuant to Section 7.04 of the General Conditions.

If the Project includes the construction of a pipeline, sewer, sewage disposal system, boring and jacking pits, or similar trenches or open excavations, which are five feet or deeper, the bid shall contain, as part of the lump sum bid package, adequate sheeting, shoring, and bracing, or equivalent method, for the protection of life or limb, which shall conform to all applicable safety laws, rules, regulations and orders.

If the Bidder is awarded the contract, the contract shall be terminated and the bid bond forfeited if the Bidder fails to provide the applicable insurance certificates and bonds within the time set forth in Section 21 of the Instructions to Bidders.

Proposals (bids) to perform the work shall be made on the forms provided by the City Engineer and shall be submitted complete, including bid bond and list of subcontractors, in accordance with the Instructions to Bidders and other requirements of the bid document. In order to qualify to bid this project, bidders must obtain and properly execute a hardcopy of the contract documents. Contract documents may be obtained from the City's Engineering Services Division, 415 Diamond Street, Door E, Redondo Beach, CA 90277, for a non-refundable fee of \$30 per set. Contract documents may be obtained by mail by paying an additional charge of \$10. Contract documents may also be obtained by FEDEX by providing recipient account information and paying an additional charge of \$5. **Contact project manager, Saila Potukuchi, at 310-318-0661 ext. 2007 for questions regarding this project.**

**A mandatory pre-bid job walk will be held at the City Park Yard, 1513 Beryl Street, Redondo Beach, at 10:00 a.m., on April 26, 2016.**

**CITY OF REDONDO BEACH, CALIFORNIA**  
Eleanor Manzano  
City Clerk of the City of Redondo Beach
