

Story and Semi-Subterranean

STORY. The under-floor space **IS** considered a story if the finished floor directly above an under-floor space is more than 4 feet above existing grade for more than 50 percent of the total perimeter, or is more than 10 feet above existing grade at any point.

SEMI-SUBTERRANIAN. The semi-subterranean area **IS NOT** considered a story if the finished floor level directly above the level under consideration is 4 feet or less above existing grade for more than 50 percent of the total perimeter, and does not exceed 10 feet at any point.
