This operation was part of a series of monthly operations being conducted in accordance with a Department of Alcoholic Beverage Control grant that was awarded to the City of Redondo Beach. The purpose of the grant is to reduce underage drinking through enforcement and educational programs.

A minor decoy attempted to purchase alcohol from a total of five different on-sale establishments and four different off sale establishments in Redondo Beach. Two of the locations completed the sale. Redondo Beach Police cited a total of two adult employees related to the violations.
