

**City of Redondo Beach
Public Works Department
Solid Waste Permit Application**

(Please fill-out application completely. Attach separate sheet with information if needed.)

1. Applicant name, address & phone number

2. Business address, and addresses where all vehicles will be kept and the zone classification of such location(s)

3. Type of Organization

(Proprietorship, partnership, joint venture, or corporation)

4. Name(s) and home addresses of owner(s) and officer(s) and their percentage of ownership, if greater than 5%:

5. A description of each vehicle and equipment that the applicant owns, operates or has under its control within the City boundaries including the age and mechanical conditions of each vehicle, a statement as to whether said vehicle is self-loading, leak proof, the service in which each vehicle shall be placed, and evidence that the applicant owns or has the right to the use of said vehicle.

6. Any additional facts which demonstrate that the applicant is able to render workmanlike and efficient service.

7. The classification of property to be serviced by the applicant and the classification of solid waste to be collected by the applicant

8. Solid Waste Permit Fees

Permit holders shall pay a basic annual fee of four (4%) percent of their gross revenue for providing solid waste handling services in the City of Redondo Beach. Fees will be paid monthly.

The undersigned hereby states under penalty of perjury that all of the information provided above is true and I agree to the terms set forth in this permit.
